1. She's the sister from my best friend – he goes early to the sea
First I saw her on the rodeo - where she twinkle her eyes to me
She was riding a Spanish pony – she won prices part by part
I thought she was a lonely girl - So I kissed her with all my heart

Ref: Riding on my painted pony
Singing songs for free
Playing guitar for my baby
Who's been waitin' so long for me

Dream about a lucky living
In a valley I want to be
So I'm riding my painted pony
And I know you are there for me.

Solo (wie Strophe), **Chorus**

2. Now I'm a horseman and a singer - and I'm always on the road
With my paint horse and my guitar – I won prices pur of gold
She's riding the Spanish pony, on the rodeo day by day
I wish she stays always with me, but she couldn't longer stay,
