WHERE IT IS

Music: Matt Fencer

Text: Peter Folk & David Halsey

Repet. ad lib. al Fine

1. Isn't it too hot, Isn't it too cold,
 I don't speak about heating in our living room
 Isn't it too dark, Isn't it too light,
 I don't speak about streets there, int our neighbourhood.

Ref.: When I cannot find the way
 tell me, where it is I must know it,
 tell me, where it is
 when I'm lost there in your town
 tel me, where it is
 why you cannot simply tell me
 tell me, where it is ?

2. Isn't it too loud, Isn't it too quiet,
 I don't speak about music, in our living room,
 Isn't it too hard, Isn't it too soft,
 I don't speak about words you use speaking tome.

Ref.: When I cannot find the way...
