

Motherless Child

(Gema Nr.: 10070304)

Musik & Text: Earl Cux / Jack Fruno

Mam and Dad are gone - but you will never be alone.
There will be another day, there will be a better way.
Close your eyes - to empty lies.
Together we are strong, we will never be alone.

**Take my hand - be my friend - Motherless Child.
Come to me - you will see - Motherless Child.
There's no why - please don't cry - Motherless Child.
It's your life - to survive - Motherless Child
- oh Motherless Child.**

Tears will even dry, there's no need to say good - bye.
Hope and love will never die if you wan't your life deny,
do believe - you will live
there's no need to wait - till you are on heaven's gate.

**Take my hand- be my friend - Motherless Child.
Come to me - you will see - Motherless Child.
There's no why - please don't cry - Motherless Child.
It's your life - to survive - Motherless Child
oh Motherless Child.**

My Motherless Child

Oh my Motherless Child
