Musik: Edgar Pelz / Text Ferry Frahamer

## Refrain:

Lovely days, (and) lovely nights, I sing a song for you.  
Lovely eyes, (and) lovely hearts, and all my dreams come true.  
Dance with me and sing with me and turn your head around,  
snap your fingers clap your hands and feel that Countrysound.  
Happy days and happy hours, music is in the air.  
Happy guys and happy girls, my songs are everywhere.  
Close your eyes and think of me and dance this certain song,  
Leave your troubles listen to me and dance dance dance along.
